Introduction

The San José State University Society of American Archivists Student Chapter (SAASC) is pleased to submit to the Society of American Archivists (SAA) Executive Council the 2012-2013 Annual Report on the year's events.

Our goal for the 2012-2013 academic year was to create a social media policy, and to continue to provide archival studies and records management students with professionals in the field through virtual and in-person events.

The document below summarizes the SAASC chapter information, as well as events from the 2012-2013 academic year.

Unfortunately, we had to table the social media policy due to the resignation of three officers at the end of the Fall 2012 semester.
